

IT'S OUR NATURE

Westmoreland County's fields and forests, abundant waterways, and scenic foothills of the Allegheny Mountains make Westmoreland County a great place to visit and an even better place to live.

The Westmoreland Land Trust (WLT) is a non-profit charitable organization working to conserve lands of special ecological, cultural, or recreational value in Westmoreland County. Since 2007 WLT has established free-standing nature preserves and parks, enlarged county and municipal parks, and conserved land to buffer recreational trails.

WLT's success is based on the contributions and assistance of many. Join the effort to keep Westmoreland green and growing for future generations.

- **Volunteer!** There are many ways to help
- **Support WLT's** work with a donation of funds, services, or supplies
- **Join WLT's** mailing list

IN SCHOOL STEM WORKSHOPS

In-class workshops including Earthworm Wonders and Feathered Friends engage and delight school students and teachers alike!

COMMUNITY CONNECTIONS

Nature-based workshops for libraries, after-school programs, scout groups and summer camps combine education with fun activities.

FAMILY-FRIENDLY PROGRAMS

Programs like Be a Better Birder engage learners of all ages and inspire enjoyment of nature.

LEARNING ABOUT NATURE BRINGS BENEFITS...

- Inspires a sense of wonder about the natural world
- Supports learning through real-world application
- Develops skills including observation, documentation, and analysis
- Builds connections to the community and environment
- Allows life-long enjoyment
- Encourages environmental stewardship

Learn how businesses may seek PA tax credits to support WLT workshops in Westmoreland County public schools. Email westmorelandlandtrust@gmail.com or call 724 325-3031.
